

## **Blue Ridge Hardwoods**

### **ENVIRONMENTAL INCIDENT NOTIFICATION PROTOCOL**

#### **EPA Site Licence Number – 11124**

Effective 6 February 2012 all NSW sites licensed with the EPA are required to immediately notify each of the relevant authorities when material harm to the environment is caused or threatened.

All the below authorities must be notified, not just the appropriate regulatory authority.

- 1) **Call 000 if the incident presents an immediate threat to human health or property.** Fire and rescue, the NSW police and the NSW Ambulance are the first responders responsible for controlling and containing incidents.
- 2) If the incident does not require an initial combat agency, or, once the 000 call has been made, notify the relevant authorities in the following order:

- Environment Protection Authority                      **131 555 (24 hr)**
- The Ministry of Health                                      **6128 9777 or**  
**4824 1837 (24hr)**
- Workcover    **13 10 50**
- BVSC    **6499 2222**
- Fire and Rescue    **1300 729 579**

In the event of a notifiable incident, the following neighbours will also be contacted by phone or in person, as appropriate under the circumstances.

| <b><u>BUSINESS NAME</u></b> | <b><u>BUSINESS NAME</u></b> |
|-----------------------------|-----------------------------|
| Nolans                      | Jev Hydraulics              |
| Origin Energy               | Eden Power Products         |
| Eden Glass                  | Acora                       |
| Eden Furniture and Bedding  | Swarfttech                  |
| SE Truck and Marine         | ARV Caravans                |
|                             |                             |

### **RESIDENTIAL NOTIFICATION CONTACTS**

**Contact details for residents living in Storey Avenue, Eden are kept by the mill for the purposes of notification, however are not listed here due to privacy regulations.**

The above residents and businesses shall be contacted if an incident arises due to Blue Ridge Hardwoods operations and a major environmental hazard exists for the surrounding area, or if advised to do so by the EPA, Emergency Services or the Ministry of Health.

The initial contact will be via phone and any updates to the situation will be displayed on the Blue Ridge Hardwoods website.
